**ANOTHER GREAT BATTLE!**  
**Thirty-nine Thousand**  
**DRY GOODS & CLOTHING,**  
**WALSH'S COMMERCIAL HOUSE,**  
DURING THE NEXT THIRTY DAYS, COMMENCING  
**Saturday, September 29th.**

**PART**  
Of these Goods were seized in TRANSIT, having been imported by a Wholesale Firm, who became insolvent, and were purchased by the undersigned at a great sacrifice. The above also comprises a Handful of Stock and FIRST-CLASS STAPLE GOODS, purchased at the recent GREAT AUCTION TRADE SALES in Toronto, at EXTRAORDINARY LOW PRICES—the whole forming one of the largest and best assorted stocks of Fall and Winter Dry Goods and Clothing that has ever been shown in Belleville.

**We Have Not Time**  
To give a List of Prices that these Goods will be sold at in this Advertisement, but will do so in our Circular, which will be issued in a few days, also at next week's INTELLIGENCER. In the meantime we can assure our customers we will sell the Goods at prices that will ASTONISH everyone.

**Terrible! Terrible!**  
In order that the benefits to be derived from this GREAT SALE may be within the REACH OF ALL, the Goods have been marked so low, and the inducements that are offered are so great, that all the sales of Bankrupt Stocks and the thousand and one other sales that have flooded the market this year, fade away and disappear into insignificance WHEN COMPARED to this most Gigantic Sale.

**On the Take.**  
On the take means that we are bent upon taking money. All ideas of PROFITS or MAKING MONEY during this GREAT CHEAP SALE are DISCARDED.

**Always**  
Trade with those who handle large lines of Goods. We will handle tremendous piles this Fall. With unsurpassed facilities, and a constant and steady increase in our business, we are enabled, at any time, to therefore always rely upon finding with us the most desirable and seasonable Goods at PRICES not to be approached by others.

**Opportunity.**  
This will be, we believe, the best opportunity the public have ever had of purchasing new staple, standard first-class Goods at nearly half the usual prices asked for them.

**What They Say.**  
Here are Merchants in this Town who are in the habit of saying that we always sell our Goods too Cheap. We would wish that they would say so now when they hear of the low figure of each article on our bound to do this Fall.

**Thanks.**  
We beg to return our most sincere thanks to the public for the extraordinary success which attended our Great Bankrupt Sale during the Summer; and in order to retain our reputation of being the CHEAPEST DRY GOODS STORE IN TOWN, are prepared to offer this Fall some of the most stupendous bargains that have ever been shown in Belleville. We have never been so successful in our business before, and we are now in a position to give our Circular and look at the grand array of prices, and it will completely surprise you that Goods can be given away for so little money.
